Progress and Prosperity**

# About Us

## Deal Smart - The Platform For Progress And Prosperity

Deal Smart is the bridge that connects brands with buyers while providing growth opportunities for aspiring entrepreneurs.

Sourcing select products from trustworthy manufacturers, Deal Smart offers quality tested and right-priced products for household consumers as well as commercial clients.

Inspired by the Make in India initiative, we facilitate Indian businesses in reaching out to a wider audience in today's competitive marketplace.

We also support the ambitious Atmanirbhar Bharat Abhiyaan; our aim is to promote the spirit of entrepreneurship by unlocking business opportunities for the average Indian citizen. We help individuals earn a decent side income through our Dealership program, which is gaining popularity by the day.

Save Life & Save Property

# TG Fire Fighter

TG Fire Fighter is a compact, safe and easy-to-use throw-type extinguisher, domestically manufactured using patented technology, thereby resulting in great cost saving for consumers. It is small enough to be carried in the trunk of a car, suitcase or a briefcase.

Being a versatile product, TG Fire Fighter Extinguisher can be used effectively at sub-zero temperatures as well as works under extreme weather conditions, unlike a Holon or gas-based extinguisher that may not work properly outdoors where there is wind.

## Application

- |                       |                       |
|-----------------------|-----------------------|
| <b>01</b> Residential | <b>05</b> Theatres    |
| <b>02</b> Commercial  | <b>06</b> Multiplex   |
| <b>03</b> Industrial  | <b>07</b> Exhibitions |
| <b>04</b> Hospital    | <b>08</b> Auditoriums |
